STEWART D. AARON  
United States Magistrate Judge

To Honorable Judge Aaron and/or Hon. Judge Daniels:

Dear Hon.(s) I am writing due to matters stated within my U.S.C § 1983 "COMPLAINT". And now the Defendant(s) NYC. DOc Commissioner, Patsy Tang Health Director Commissioner Margaret Egan Board of Correction Executive Director failures to Disregard and Ignore our Many cries for Equal Protections as others for Safety from COVID-19 Virus (ie. 6ft Social Distancing, and 50% of Inside Gathering). As a direct result of life and Liberty which is Guaranteed under the 8th Amendment and 14th Amendment of the Constitution the Defendants failures to ignore and disregard us like someone in my "OORM" Gil Graves in V.C.B.C 2BA tested positive for COVID-19 virus. In which further failures to NOT properly Sterilize and Sanitize the Detentionary 2BA. Knowing the virus lives on surfaces for days even up to weeks. Moreless They still refuse to give us 50% of Inside gathering and 6ft Social Distancing. They have (34) people TRAPPED in an un-sterilized COVID-19 Virus infective area. This happened yesterday on Januray 12th 2021, and Today January 13th 2021. I Request at this point for the Court to Except and Enforce "ALL" Reliefs that I sought in this U.S.C § 1983 "COMPLAINT". Considering this is definitely a Life & DEATH or at least seriously dangerous Immediate situation.

Thank You

Sincerely,  
Michael J. Roe
